Dear Ms. Brousseau and Ms. Dowling:

Thank you very much for your gift to Wellspring Chinguacousy through the BPW Women's Charity Golf Tournament. With your generous support, Wellspring will be able to continue to provide the gold standard in supportive cancer programming, free of charge, to men, women, and children who are affected by cancer today.

Wellspring offers over 40 much-needed programs and services, providing cancer patients and their loved ones with the tools they require to cope with cancer. As this is done without any government or hospital funding, we rely on support from third-party events like the BPW Women's Charity Golf Tournament. We cannot thank you enough for your contribution!

If you have any questions or wish to receive further information about Wellspring or our AnswerCancerNow Third Party Event Program, please contact Claudia Connor, Manager of Events, Halton-Peel, at 416-522-3642.

Thank you again for your support of Wellspring!

With best wishes,

## WHERE YOU NEVER WALK ALONE

Dear Janet Brousseau, President, Pat Dowling Past President and all BPW ladies;

We would like to express our genuine gratitude to you, for your phenomenal funding donations over the years. Being able to invest these gifts towards helping others and continuing our essential mission is a blessing.

No one should go hungry or be homeless in a country as prosperous as Canada, yet thousands are constantly worried about how they will eat, pay rent, pay bus fare and are on the verge of losing their homes or already sleeping in their cars. So many never get ahead, each month they receive more bills than income.

At Ste. Louise we feel that every family should have a livable income, be able to afford a safe home, buy basic living necessities, be able to care for their loved ones properly and give their children decent opportunities. The stark reality is that in Peel Region 45% of our very own neighborhoods are considered "low income" or "working poor" it means even with two and sometimes 3 jobs, after paying rent, there is still not enough for food, clothing, transportation, school supplies and medical expenses.

Together as a community, we can roll up our sleeves and help one another. When we come together, we strengthen our community. Each and every person we help, is living proof that we can reduce the effects of poverty.

Our work continues because of BPW's caring nature and dedication to helping others.

With gratitude,
