BPW Aims & Objectives

- Improve the status of women in the business and professional world – locally, nationally and internationally.
- Work toward the improvement of economic, employment and social conditions for women.
- Strive for higher standards of service in business, the professions, industry and public life.
- Stimulate interest in federal, provincial and municipal affairs and encourage women to participate in the business of government at all levels.
- Discover and develop those qualities in members which will enable them to take their full share in public life.
- Encourage friendly relations and understanding among business and professional women.
- Affiliate with other organizations to promote mutual interests.
- Encourage and assist women and girls to acquire education and training.
