Dear Friends of the FLRC,

On behalf of the staff and clients at the Honeychurch Family Life Resource Centre (FLRC) I would like to express our deep appreciation for your group's support of our clients and programs through the generous donation of \$3000.00 this fall.

As your members may be aware, since opening in 1986 our Mission has evolved to serving victims of gender based violence and their children, and we continue to empower these families by offering necessary supports such as life skills, counselling, legal, outreach and transitional supports to the moms, and age-appropriate programming, summer camps and counselling to the children so that they may be able to move on with their lives following trauma.

The impact this makes on the lives of the women and children fleeing family violence is immense!

Please share our gratitude with your group members and commercial partners. We want them to know that their support makes a difference.

With much appreciation and thankfulness,

Pam Loree
